

## Consultation and Treatment Fee Guide

### Consultation Fees

#### Dental Implants

Time required: 45 - 60 minutes  
X-ray taken: OPG  
Fee: £150

The consultation will be with Tim Thackrah or Birgitta Henrikson during which time treatment options and fees will be discussed. A post-consultation letter outlining the options and fees for treatment will be sent to your patient and also to you.

#### Oral Surgery

Time required: 30 minutes  
X-ray taken: OPG and other x-rays as appropriate  
Fee: £150

The consultation will be with Tim Thackrah or Birgitta Henrikson during which time treatment options and fees will be discussed.

A post-consultation letter will be sent to the patient and also to the referring dentist.

#### Periodontic Consultation

Time required: 45 - 60 minutes  
X-ray taken: OPG and other x-rays as appropriate  
Fee: £170

The consultation will be with Hania Baranowska or Hans Dieter John during which time treatment options and fees will be discussed.

A post-consultation letter will be sent to the patient and also to the referring dentist.

#### Endodontic Consultation

Time required: 30 minutes  
X-ray taken: Yes  
Zeiss Operating  
Microscope Yes  
Fee: £125

Patients will always be assessed prior to endodontic treatment being carried out. This can sometimes be combined with an appointment to start treatment. In many cases a separate assessment appointment will be needed.
